Re: FOIA Request Relating to Release of PFOA from Washington Works

Dear Sir or Madam:

On behalf of Kelley Drye & Warren LLP, please consider this request pursuant to the Freedom of Information Act, 5 U.S.C. § 552 *et seq.* This request concerns the Washington Works facility located in Wood County, West Virginia, formerly operated by E.I. du Pont de Nemours and Company ("DuPont") and currently operated by The Chemours Company ("Chemours") (the "Facility").

Within thirty (30) working days, please make available for inspection, or provide copies of, all records¹ in the care, custody or control of U.S. EPA ("You") that relate to:

¹ "Records" refers to any papers, reports, agreements, contracts, amendments, orders, documents, notes, work papers, memoranda, injury logs, data bases, spreadsheets, drawings, photographs, images, specifications, communications, electronic files, e-mails, voice mails, digital recordings, instant messages, text messages, PIN messages, or any other records in any form, including any electronically stored information, whether generated or received by You or your contractors, sub-contractors, agents or consultants, paid or unpaid.

1. The release of PFOA² into the air, the discharge of PFOA into groundwater and surface waters, including the Ohio River³, and/or the disposal of PFOA from the Facility.
2. Any testing, sampling, or analysis of PFOA in drinking water, surface water, groundwater, soil, or sediment, in the Ohio River or in Ohio counties bordering the River.
3. Risk assessments and all similar evaluations in order to determine the impact on the environment as a result of the release of PFOA from the Facility.
4. Reports, notices of violation, compliance orders, settlement agreements or other similar records relating to corrective or enforcement action taken by U.S. EPA in response to the release of PFOA from the Facility.
5. U.S. EPA Administrative Enforcement Docket Nos. TSCA-HQ-2004-0016, RCRA-HQ-2004-0016, and TSCA-HQ-2005-5001, including but not limited to the full administrative record.
6. Information and documents submitted by DuPont and/or Chemours to U.S. EPA relating to the release of PFOA from the Facility.
7. Communications relating to the release of PFOA from the Facility, including but not limited to the U.S. EPA's communications with DuPont, Chemours, the Ohio River Valley Water Sanitation Commission, and the State of West Virginia or any of its agencies.

If you have any questions or concerns regarding the above, please do not hesitate to contact me at (212) 808-7772 or mbyroade@kelleydrye.com.

Sincerely,

Melissa E. Byroade
